SMALL MESH MONOFLAMENT NETTING IN STOCK • READY FOR IMMEDIATE SHIPMENT

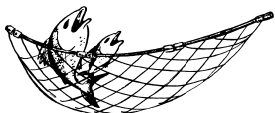

We stock one of the largest inventories of small mesh monofilament nylon netting. Perfect for cast nets, bait nets and minnow nets. Invisible even in clear water, it will catch all types of bait. All sizes are depth stretched, so that the netting will not curl up and roll. All of sizes are quoted in stretched mesh. If you are used to ordering in square mesh, please remember that square mesh is half the size of stretched mesh.
